*The Australian Government regularly updates its qualifications to ensure that you can gain the skills and knowledge currently needed by Australian industries. A new up-to-date qualification has recently been released to replace this qualification and we are busy developing the new qualification to offer to our students.

To ensure that you are receiving the most current training, Kirana will offer to transfer your enrolment into the new qualification at no further cost to you. Please note that the Australian Government requires that all students enrolled in this qualification must have either completed this qualification or transferred to the new qualification by 27/08/2017.

Information in this flyer is subject to change without notice. TLI21210 V1.2
