

Purpose

This policy outlines Kirana Colleges approach to the setting, collection, and refunding of student fees, ensuring transparency, fairness, and compliance with the 2025 Standards for Registered Training Organisations and relevant consumer protection legislation.

Scope

This policy applies to all prospective and current students and to staff involved in the administration of fees, charges, and refunds.

Policy Statement

Kirana Colleges is committed to providing students with clear, accurate information about all applicable fees and charges before they enrol. Fees will be managed in a fair and transparent manner, with processes in place to ensure that any refunds are assessed and issued in accordance with legislative requirements, the 2025 Standards for Registered Training Organisations, and this policy.

Kirana Colleges does not require individual students to pay their tuition fees in full prior to the commencement of their course. This business practice has been implemented to align with the 2025 Standards for Registered Training Organisations and to safeguard students by ensuring prepaid fees remain within the permitted threshold. Prepaid fee protection arrangements are therefore not required for individual student enrolments. The only circumstances in which tuition fees are collected in full prior to course commencement are where the payer is a business or employer, as expressly permitted under the Standards. This policy operates in addition to a student's rights under Australian Consumer Law.

Key Principles

- All fees and charges are published in the Course information pack or Schedule of Administration Fees and made available prior to enrolment.
- Students are informed of all applicable fees, charges, and refund conditions before committing to enrolment.
- Refunds are processed in accordance with this policy and relevant legislation.
- Refund applications must be submitted in writing and will be assessed promptly.
- Refunds will be issued to the original payer through direct deposit to a bank account, unless otherwise agreed in writing.
- Refunds will be processed within 7 calendar days of approval, unless otherwise agreed with the student.
- Any outstanding fees must be paid in full before the issuance of a qualification or statement of attainment.
- Additional services (e.g., extensions, replacement certificates) may attract additional fees as outlined in the Schedule of Administration Fees.

Student Fees and Refund Policy

Payment Processing Fees:

Kirana Colleges utilises Stripe Payments and Debit Success as its authorised payment provider. These payment providers have standard merchant and processing fees for the use of its direct-debit and credit card facilities. From 1 February 2026, these standard third-party processing fees will be passed on to students as part of their regular repayments. Typical fees include:

Upfront payments made through Stripe Payments:

- All transactions are credit/debit card - \$0.30 plus 1.9%

Payment plans through Debit Success:

- Bank Account (Direct Debit): \$1.85 per transaction
- Credit Card: \$1.85 + 3.03% per transaction
- Establishment Fee: \$12.00 per payment plan (one-off fee added to the first debit)
- Dishonour Fee: \$14.95 (only applies if a payment is missed)

The cost of any surcharge or processing fee will not be greater than the cost incurred by Kirana Colleges for using the third-party merchant service and students are notified of these fees prior to any payment being processed, ensuring full transparency and informed consent.

Responsibilities

- **Course and Careers Advisors and Admissions Team** – Provide accurate fee and refund information to students before enrolment.
- **Finance Team** – Manage invoicing, payments, and refund processing.
- **Managers** – Approve refunds in line with policy and oversee compliance.
